

For the best days of your life.....

This is a calendar of our upcoming departures as of 10/6/2018. We offer bird-watching, whale and dolphin watching, mammal watching (especially big cats and bears) and the widest choice of bird and wildlife (expedition) cruises, worldwide. We also specialise in flights and can offer tailor-made arrangements to many destinations including top local bird and wildlife guiding services, just for you and your party. WildWings customers have travelled our whole wild world for over twenty years now, from the Edge of Space to the depths of the Oceans, from the North and South Poles and everywhere in-between! **Full and the most up to date details can always be found on our website, along with previous trip and voyage reports plus many species lists.**
